

Press Release

Huntsville, AL – October 3, 2011 – KAYA Associates, Inc. was recently awarded a contract to provide Information Technology (IT) Services Support and Information Management/Knowledge Operations Management (IT_KOM) Support to the Air Force Logistics Management Agency (AFLMA) at Maxwell Air Force Base, AL. Based on the strength of a capabilities briefing presented to AFLMA, a subsequent technical proposal, and KAYA's exceptional work history with AFLMA, KAYA was awarded a one-year contract with four option years to support AFLMA's critical IT systems. The contract and all options are valued at over \$1.9 Million.

KAYA provided IT support to AFLMA under the predecessor to this new contract, and won the expanded recompetes based on our experience, our understanding of AFLMA's mission and objectives, and a history of providing timely support and services of a superior quality.

KAYA will provide IT help desk support, network support, multimedia/video teleconferencing duties, asset management, security and training requirements, and management of AFLMA's records management program.

KAYA's Director of Information Technology, Mr. Will Sims, will be the Program Manager for this contract.

KAYA Associates, Inc., an SBA-certified 8(a), Small Disadvantaged Business headquartered in Huntsville, AL, has a staff of over 220 professionals who provide engineering, Geographic Information Systems (GIS) services, IT services and support, air traffic control communications and electronics, and environmental solutions to the Department of Defense, Government agencies and commercial companies.
